

EDUCATION

- Birla Institute of Technology, Mesra
- Bioengineering and Biotechnology ; CGPA: 7.08

Ranchi, Jharkhand
Aug 2024 - July 2028

EXPERIENCE

◦ ApClub

Bengaluru, Karnataka (Remote)
Aug 2025 - Sep 2025

Role - Product Designer

- *Designed responsive UI using Figma, reducing workflow friction and improving usability for internal developer tools.
- *Conducted user research, user interviews and usability testing to identify pain points and increase feature adoption. Built wireframes, prototypes and interaction flows, enabling faster implementation and clearer design handoff.
- *Partnered with engineers to deploy production-ready UI aligned to design systems and documentation standards.

◦ AppMechanic

Ontario, Canada (Remote)
May 2025 - Aug 2025

Role - Growth and Marketing Intern

- *Engineered an automated lead-flow system using n8n, reducing the sales team's 'speed-to-lead' response time by 40% and ensuring 0% lead leakage.
- Increased social media impressions by 50,000+ within 3 months. Edited and produced promotional videos and product content (DaVinci Resolve, Photoshop) improving engagement and brand visibility.
- Designed and executed a niche outbound campaign targeting various sectors, generating 500+ qualified leads and securing 150+ sales meetings for the founders over 12 weeks.
